TWO HUNDRED CABIN PASSENGERS COMING ON LINER SIERRA

Record Crowd for Honolulu in Popular Oceanic Boat—Si-
beria Sailed With Many Empty Cabins—American Ship
Phelps on the Way to the East Coast With Sugar—Ma-
na Kea Arrived With Floral Parade Visitors.

Two hundred cabin passengers
sailed from San Francisco at noon
yesterday in the Oceanic steamship
Sierra with destination as Honolulu.
This is the cheering news received at
the local agency of C. Brewer & Co.,
and the cable comes from L. F. Cock-
roft, general passenger agent for the
steamship company.

Mr. Cockroft also adds in his cable:
"We expect great things in the Hono-
lulu festival."
The Sierra is easily bringing down
a record list of cabin passengers since
she went into the San Francisco-Hono-
lulu service some two years ago.
The liner is due to arrive here early
Thursday morning, and the several
promotional interests will find that they
will have their hands full in caring
for the floral parade visitors.

Deep-Sea Shipping Deserts Hilo.

The American schooner Gaius,
which has been discharging a ship-
ment of Northwest lumber at Hilo,
called for a return trip to the Sound
last Wednesday. This left the port de-
serted of deep-sea shipping. The Ma-
na Kea of the Inter-Island fleet was
in arrival at Honolulu this morning,
reporting a fine trip home. The
vessel met with moderate trades and
sailed on the outward voyage, and in
returning the weather was favorable
for a smooth passage. The Mauna Kea
came in with an unusually large list
of cabin and deck passengers. The
inward cargo included shipments of
pigs, chickens, turkeys, 3 bales hides,
20 cords wood, 1 dog, 1 auto, crates of
vegetables, barrels of wine, 235 pack-
ages sundries and other items. The
Mauna Kea will be dispatched on a
return trip to Hilo at 10 o'clock Mon-
day morning.

Produced a Mountain from a Mole Hill.

It must have been a "Pale day" for
three pedestrians when less than 300
tons of freight appears to loom up on
the horizon of a Honolulu wharf, and
make a racket like six thousand seven
hundred tons.
A gullible and unsophisticated re-
porter on a morning sheet glibly re-
lates to a trusting public that "for Hon-
olulu the Siberia has six thousand
seven hundred tons cargo."

Harbormaster Foster strained his
vision in conducting a still hunt for
this pile of merchandise this morning.
Captain Riley, representing the H.
Hatchfield agency, was overheard re-
marking: "You never can tell just
what will happen even in the best re-
gulated newspaper offices after a 'Pale
day' in February."

Wilhelmina to Hackfeld Wharf.

The Matson Navigation steamer
Wilhelmina from San Francisco is due
to arrive at the port on Tuesday morn-
ing and will berth at Hackfeld wharf
according to latest wireless informa-
tion received from Captain Peter John-
son.

The Wilhelmina was 1264 miles off
the port at 8 o'clock last night steam-
ing through fine weather and bringing
114 cabin and 13 steerage passengers,
72 sacks of later mainland mail, 74
packages Wells-Fargo express matter,
19 automobiles and 2124 tons general
cargo for discharge at Honolulu and
795 carried in transit for Hilo.
The Wilhelmina will sail for Hilo at
midnight Thursday and returns to Ho-
lulu on the following Tuesday morn-
ing.

Purser's Widow Now Stewardess.

Mrs. Peter Hyrup, wife of a former
Pacific Mail purser who died a few
months ago while at Manila, is now
stewardess in the Pacific Mail liner
Siberia, which sailed for San Francisco
at 10 o'clock this morning. Mrs. Hy-
rup visited Manila in connection with

the settlement of her husband's es-
tate.
The Siberia's departure this morn-
ing was without the bare of hand
melody. A fairly large crowd gathered
at the wharf to bid farewell to sixty
passengers who joined the Siberia at
this port. Some lively work was done
in the discharge of seven hundred tons
of Oriental cargo for this port.

Pacific Fleet Tars See Volcano.

Three United States cruisers, the
California, South Dakota and Colorado,
arrived at Hilo just before the depart-
ure of the Inter-Island steamer Mauna
Kea for Honolulu. A number of partic-
ulars from the cruiser fleet had planned
to pay a visit to the volcano. The
cruisers visited Kealahou Bay and
left there last Wednesday, arriving at
Hilo on Thursday morning. The ves-
sels are scheduled to sail from Hilo
for Kahului on Sunday evening, and
Monday will be spent at the Maui port.
The fleet is expected to return to Ho-
lulu by the morning of February 29.

aï includes the following consign-

Buyo Maru Discharging Nitrates.

After a rather rough trip from Cen-
tral and South American ports the
Japanese freighter Buyo Maru came
into the harbor this morning and is
now being discharged of fifteen hun-
dred tons nitrates. This vessel will be
dispatched for Japan ports on or
about Wednesday. The Buyo Maru is
carrying in transit twelve cabin and
seventy-four steerage passengers. The
vessel was given a thorough fumiga-
tion at the hands of the Federal Quar-
antine Service before being permitted
to enter the harbor.

Mauna Kea Sails a Day Ahead of Schedule.

Freight intended for the next trip of
the steamer Mauna Kea for Hilo and
way ports has been delivered at the
wharf today, as the flagship of the
Inter-Island fleet is scheduled to sail
a day ahead of the regular schedule.
The Mauna Kea will be dispatched
over her regular route at 10 o'clock
on Monday, in order that the vessel
can return to Honolulu by Thursday
morning in time for the floral parade
festivities. No freight will be receiv-
ing for this vessel on Monday.

Fuel Oil Shipments en Route.

The American steamer Lansing,
once well known in shipping circles
here, is reported to have sailed from
Port San Luis with fuel oil for the
Union Oil Company and should arrive
here on or about Feb. 25th, according
to present calculations. The steamer
Maverick is also reported through the
Merchants' Exchange as having sailed
from San Francisco with oil for Hono-
lulu. The Maverick left the Coast on
last Thursday.

morning in the American ship Falls
of Clyde. This vessel has fifteen thou-
sand barrels of fuel oil to be pumped
into tanks of the Associated Oil Com-
pany. The vessel was twenty-two
days in making the passage from Ga-
viota and her officers report a very
nasty trip, though no damage was
done the vessel or her cargo.

Inter-Island Departures on Monday.

Two inter-island steamers are al-
ready listed for departure on Monday
they being the flagship Mauna Kea for
Hilo via way ports, sailing at 10
o'clock with a fair list of passengers

sacks stored at Kailua awaiting

ASSEMBLING THE MACHINERY

One month from tomorrow the ma-
chinery which at the present time is
being gradually assembled will be
started in full swing and the great
united church movement for the ex-
tension on the knowledge of the Chris-
tian religion will have started.

At the present time the energy is
being spent on organization, and gradu-
ally the various committees are be-
ing together and forming their plans.
Yesterday at noon the men's meet-
ings committee met at the Y. M. C. A. and
arranged a definite plan for the com-
ing week. At the head of the committee is L.
Tenney Peck, and with him are associ-
ated George F. Davis, A. Lewis Jr., W.
G. Hall, R. B. Anderson, F. J. Lowrey,
Ed. Towse, William Coombs, C. B. Rip-
ley and Captain E. H. Cooke.

The committee discussed two propo-
sitions. First was the matter of hold-
ing private conferences in the homes
of the different members of the
churches in order to present the Chris-
tian extension movement to a number
of small groups of members of each
church and get them into line for the
campaign. To follow out the plan the
following were appointed to get to-
gether the groups in each church: F.
J. Lowrey will look after the members
of Central Union church, C. B. Ripley
for the Methodist, W. G. Hall for the
Christian church, George Davis for
St. Andrew's and John Guild for St.
Clement's.

Each of these men is to have associ-
ated with him others from his own
church and is to arrange for group
meetings of about fifteen members in
each group. Under this scheme only
enough from each church are wanted
to form a working nucleus, for it was
felt that if an attempt was made to
take in all the members of each church
by this method there would not be time
to do it.

Women at Work.

The same plan of campaign is to be
carried out by the women. The com-
mittee which will handle that end of
the work is comprised of Mrs. Mon-
tague Cooke, for St. Andrew's; Mrs. W.
C. Hobbs, for Central Union; Mrs. O.
H. Walker, for the Methodist; Mrs. W.
L. Hopper, for the Christian church,
and Mrs. William Thompson, for St.
Clement's.

LOCAL AND GENERAL

The annual meeting of the Hoola
and Hoola Club will be held on
Monday morning, February 19, at 10
o'clock at the Kapioian Maternity
Home. All members are requested to
attend.

The American steamer Rosecrans
with a shipment of oil for the local
branch of the Associated Oil Com-
pany is reported to have sailed from
Gaviota yesterday with destination as
Honolulu.

Superintendent Willis T. Pope of
the Department of Education, is ar-
ranging the plans for a fire escape
for the Normal school. He went over
the plans with Fire Chief Thurston
during the week.

There will be a rehearsal of Pina-
fore tonight on the ship Mohican,
starting at half past seven o'clock and
another tomorrow afternoon at half
past one o'clock at the Orpheum the-
ater. Everybody is requested to turn
out as there will be a full orchestra
and it is important that the cast
should be complete.

Officers in the city, whether mem-
bers of the Buckeye Club or not, are
invited to be present at the semi-an-
nual gathering of the club on Mon-
day evening, February 19, at 8 o'clock,
at the residence of Professor Charles
H. Hitchcock, on the Mauna car line,
near Armstrong avenue. By those
who know the general features of this
organization a pleasant evening is an-
ticipated.

After argument in the Circuit Court
this morning before Judge Robinson
the plea in abatement entered by
Chung Nung and Albert Joseph ob-
jecting to the Territorial Grand Jury,
claiming that it was not legally
drawn, was withdrawn. A new plea
will be entered Wednesday morning
next when more facts will be submi-
tted. An attempt is being made to
have this matter cleared up once and
for all.

PEACE LITERATURE MAY BE SECURED HERE NOW

William A. Boyen, chairman of the
Honolulu Chamber of Commerce Inter-
national arbitration committee, an-
nounces that the committee has re-
ceived quite a number of articles, or
essays, on peace and arbitration sub-
jects intended by the peace societies
sending them to be material which will
furnish much information and opinions
of great value to those who may be
writing competitive essays on these
subjects.

Mr. Boyen will endeavor to be in
his office, 610 Stangenwald building,
between the hours of 8:30 a. m. and
4:30 p. m., each weekday for the coming
four weeks, Saturday afternoon ex-
cepted, say to March 18, 1912, for the
special purpose of handing out these
articles and other information to those
who are desiring the same for prepa-
ration connected with their prize es-
says on international peace.

NEW SECRETARY FOR Y. W. C. A.

Miss Esther M. Erickson of Wich-
ita, Kansas, is to be the new secretary
of the Y. W. C. A., according to in-
formation received in town this morn-
ing. She was offered the position and
has now accepted and expects to ar-
rive here before April 1.

Miss Erickson has been the general
secretary of the Y. W. C. A. at Wich-
ita for the past four or five years and
comes here very highly recommended.
She will take the place made vacant
by the resignation of Miss Carlota
Moyer, whose position Mrs. Carson
has been filling temporarily.

INVITATION AFTERNOON AT Y. M. C. A. TOMORROW

Leslie Butler is to give a talk at
the Y. M. C. A. tomorrow afternoon
during supper, when he will deal in
an informal way with some of the
better things in life. He is head of
the banking firm of that name at Hood
River, Oregon.

Earlier in the afternoon Anderson's
orchestra will play a program starting
at 4:30 o'clock and will be followed
by Professor Collais, who will lead the
informal discussion on life problems.
These Sunday afternoon meetings
which are held at the association are
open to all men in the city. They are
becoming very popular and especially
so with strangers for a man going
there meets many others who in the
ordinary course of events he would
not run across.

Ah Kwai, Chinese konoki cheefa
banker, was arrested today by Chief
of Detectives McDuffie for opening a
bank on the Chinese New Year day.

Ah Kwai, when brought to the po-
lice station, told the big chief that he
thought it was not unlawful for him
to celebrate the konohi day by open-
ing his cheefa bank. Chief McDuffie
told him to explain the entire matter
to Judge Monsarrat next Monday
morning.
